2109. SHRI V. RAJAN CHELLAPPA: Will the Minister of LABOUR be pleased to state:

(a) whether any representation from the All India Beedi Cigar and Tobacco Workers Federation/ Ahmednagar (Maharashtra) has been received;

(b) if so, the details of the main demands raised by them;

(c) whether Government have permitted the multi national cigarette companies to manufacture macro-cigarettes;

(e) if so, the steps Government contemplate to save the beedi industry of the country?

THE MINISTER OF LABOUR (SHRI G. VENKAT SWAMY): (a) and (b) Yes, Sir. The main demands raised therein are for imposing a ban on production and sale of mini-cigarettes, withdrawl of concessions given to Cigarette Industry, for withdrawing excise exemption to Beedi manufacturers producing upto 20 lakhs beedies annually, uniform minimum wage of Rs. 50 and D.A. 10 paisa per point, old age pension and insurance scheme, strict implementation of all labour laws to beedi industry and to ensure supply of sufficient tendu leaves and tobacco to workers and to lower down its prices.

(c) to (e)The Government have received representations from the manufacturers of beedies and the Associations of beedi workers stating that the present rate pf specific excise duty on non-filter cigarettes of length not exeeding 60 mm is affecting the beedi industry and workers. Since the incidence of excise duty on cigarettes is substantially higher than on beedies, it is unlikely that the system of central excise duty levied on cigarettes based on the length has adverse effect on the beedi industry and workers.
